I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIFIL FOR THE PERIOD 1 AUGUST 1989 TO 31 JULY 1990

A. Period from 1 August 1989 to 31 January 1990

1. Under General Assembly resolution 43/229 of 21 December 1988, the Secretary-General was authorized to enter into commitments for the United Nations Interim Force in Lebanon (UNIFIL) at a rate not to exceed $11,903,500 gross ($11,714,500 net) per month for the 12-month period beginning 1 February 1989, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 617 (1988), the said amount to be apportioned among Member States in accordance with the provisions of Assembly resolution 973 (X) of 15 December 1955 and the scheme set out in resolution 43/229.

2. By its resolution 639 (1989) of 31 July 1989, the Security Council decided to extend the mandate of UNIFIL for a period of six months until 31 January 1990. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $71,421,000 gross ($70,287,000 net), representing commitments for UNIFIL for the period from 1 August 1989 to 31 January 1990 was apportioned among Member States. The amount so apportioned (see sect. IV below) was appropriated by the General Assembly under the terms of its resolution 44/188 of 21 December 1989.

B. Period from 1 February to 31 July 1990

3. Under General Assembly resolution 44/188, the Secretary-General was authorized to enter into commitments for the operation of UNIFIL at a rate not to exceed $12,001,000 gross ($11,806,000 net) per month for the 12-month period beginning 1 February 1990, should the Security Council decide to continue the Force beyond the period of six months authorized under its resolution 639 (1989).

4. By its resolution 648 (1990) of 31 January 1990, the Security Council decided to extend the mandate of UNIFIL for a further interim period of six months until 31 July 1990. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $72,006,000 gross ($70,836,000 net), representing commitments for UNIFIL for the period 1 February to 31 July 1990, was apportioned among Member States. The amounts so apportioned among Member States in accordance with the scheme set out in resolutions 44/188 and 44/192 B of 21 December 1989 are shown in section V to the present document.

C. Apportionment of the costs of peace-keeping operations

5. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less

developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

6. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget, those in group (c) would pay 20 per cent, those in group (b) would pay 100 per cent and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

7. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

8. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIFIL. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 24 new Member States and the decisions contained in General Assembly resolutions 3374 (XXX) B of 28 November 1975 and 44/192 B of 21 December 1989. The percentage shares shown in sections IV and V demonstrate the results of the application of the scheme.

I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNIIMOG FOR THE PERIOD 9 FEBRUARY 1989 TO 31 MARCH 1990

A. Period from 9 February to 30 September 1989

1. Under General Assembly resolution 43/230 I of 21 December 1988, the Secretary-General was authorized to enter into commitments for UNIIMOG at a rate not to exceed $7,986,000 gross ($7,889,000 net) per month for the 12-month period from 9 February 1989, should the Security Council decide to continue the Military Observer Group beyond the period of six months authorized under its resolution 619 (1988), the said amount to be apportioned among Member States in accordance with the provisions of the scheme set out in resolution 43/230 I.

2. By its resolution 631 (1989) of 8 February 1989, the Security Council decided to extend the mandate of UNIIMOG for a period of 7 months and 22 days until 30 September 1989. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $61,678,175 gross ($60,929,016 net), representing commitments for UNIIMOG for the period from 9 February 1989 to 30 September 1989 was apportioned among Member States. The amount so apportioned (see sect. IV below) was appropriated by the General Assembly under the terms of its resolution 44/189 of 21 December 1989.

B. Period from 1 October 1989 to 31 March 1990

3. By its resolution 642 (1989) of 29 September 1989, the Security Council decided to extend the mandate of UNIIMOG for a further period of six months until 31 March 1990. Accordingly, under the authorization granted to the Secretary-General by the General Assembly, an amount of $34,153,825 gross ($33,738,984 net) representing commitments for UNIIMOG for the period 1 October 1989 to 8 February 1990, was apportioned among Member States. The amounts so apportioned among Member States in accordance with the scheme set out in resolution 43/230 I are shown in section V to the present document.

4. Under the terms of resolution 44/189 of 21 December 1989, the General Assembly decided that the authorization provided by its resolution 43/230 I for the period from 9 February 1989 to 8 February 1990, inclusive, should be extended to include the period up to and including 31 March 1990 without an additional assessment.

C. Apportionment of the costs of peace-keeping operations

5. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Fund (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that are not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

6. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget; those in group (c) would pay 20 per cent; those in group (b) would pay 100 per cent; and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

7. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

8. The scheme for the apportionment of costs set out in that resolution has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNIIMOG. The percentage shares shown in sections IV and V demonstrate the results of the application of the scheme described above.
